Katharine Houghton

Dear Katharine:

**CONGRATULATIONS!** You have been accepted to Missouri University of Science and Technology, one of the nation's premier public research universities. You have been admitted to Computer Science BS for the Fall 2025 (August-December). Your application, academic record and extracurricular accomplishments have been thoroughly reviewed, and we enthusiastically welcome you to the S&T family!

Missouri S&T boasts an exceptional track record in retaining and graduating students, and we're excited about playing a role in helping you reach your full potential. Before you attend your Advising & Registration session your academic file will be reviewed again to determine if additional support is recommended within your first year. You may be provided the opportunity to join Cornerstone Peers—an enriching scholarship and support initiative. This is a required experience that all chosen students have the pleasure of being a part of!

Missouri S&T takes great pride in promoting the success of our students. We are a highly selective university, and our students enjoy exceptional academic support, extensive undergraduate involvement in student activities, and outstanding career and professional school placement services. S&T is also strongly committed to our students' timely degree completion.

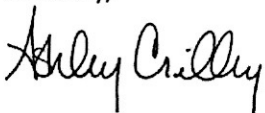

**WHAT'S NEXT?** The enclosed information contains important details on the process of enrolling at Missouri S&T, including: Advising & Registration, campus housing, scholarships and financial assistance, and student support programs. Please be sure to review all information carefully and complete these important steps:

- Establish your ability to access the S&T student information system (Joe'SS) and your S&T email account.
- Submit your application for additional scholarships at [scholarships.mst.edu](https://scholarships.mst.edu) after October 1st
- Submit your FAFSA application at [fafsa.gov](https://fafsa.gov)
- Connect to your portal at <https://connect.mst.edu/apply/> to sign-up for **Advising & Registration (A&R)**

Your admission to Missouri S&T and any subsequent scholarship awards are contingent upon receipt of a final transcript, demonstrating successful completion of all remaining coursework and graduation from high school. If you have any questions about your next steps in the enrollment process, please contact the office of Undergraduate Admissions at: admissions@mst.edu or 800-522-0938.

Congratulations, again! We look forward to seeing you on campus as a future MINER!

Sincerely,

Ashley Crilly  
Director of Undergraduate Admissions
